

Opting out of Direct Deposit

Should you decline the opportunity to participate in our Direct Deposit program, the following options are available to you.

- 1.) You will receive a "live" check, which you may either pick up weekly at the ITAC office or you may elect to have your check mailed, via regular US Mail. **Checks not picked up between 10:00 a.m. and 5:00 p.m. the last day of the workweek (Fridays unless Friday is a holiday) will be mailed, via regular US Mail.** ITAC Solutions is not responsible for checks lost via U.S. mail or otherwise. **Fees to stop and reissue payment will be your responsibility.** Fees begin at \$30.00 per instance and will be deducted from the employee's paycheck.
- 2.) **Platinum Pay Card.**

Platinum Pay is a Visa® debit-branded, payroll card allowing you to have your money directly deposited, securely stored and accessible when YOU want it at millions of ATMs and merchant locations worldwide. *Platinum Pay* also allows you to transfer funds to other bank accounts and other *Platinum Pay* card holders.

How does the Platinum Pay card program work?

For only \$1.95 per month, your money is deposited each pay period and is available automatically. While ATM withdrawals and money transfers are available for a fee, the following transactions are FREE.

- All purchases and cash back. *Get cash back at purchase location to avoid ATM fees.*
- Balance inquiries, transaction history, monthly statements

Are my funds safe?

In the unfortunate chance you lose your card, your money is protected and transferred to a newly issued card for you. *

*Card is issued by Palm Desert National Bank in Palm Desert, CA, a FDIC insured financial institution.

PLEASE CONTACT YOUR RECRUITER WITH ANY QUESTIONS OF IF YOU WANT TO PARTICIPATE IN THIS PLAN.
